Thank You!

The time of my retirement is near and I would like to express my appreciation to the Board of Directors, the staff, the residents and their families for the great privilege of my position.

I have had the pleasure of knowing so many wonderful people, heard many great stories of lives rich with experience and seen tremendous acts of kindness by our staff. I thank you for the trust that you placed in our staff to care for the most precious gift of family.

My life has been so blessed by my time here and I will always treasure the memories of those present and past.

Thank you!

Charles T. Nelson, BSN, MSM, NHA
President/CEO

2016 Water Report

Every year, Congregational Home is required by the State of Wisconsin Department of Natural Resources to make available to our residents, families, and employees a report on the quality of the Home's water.

The technical report for the year 2016 is now available in our Reception Office, 13900 W. Burleigh Road. If you are interested in having or inspecting a copy, please contact Steve LaMonte, Director of Plant Operations, or a receptionist, at 262-781-0550.

Learning & Sharing about Alzheimer's Disease and Related Disorders (Alzheimer's Support Group)

Next Meeting

July 25 ~ 2:00 p.m. ~ Apartment Dining Room

Congregational Home offers a monthly meeting to learn and share about Alzheimer's disease and dementia.

Family and staff, caregivers, friends, and community members are welcome to attend our meetings.

If you are interested in attending, please contact Sarah Calderon, Director of Social Services, at 262-781-0550.

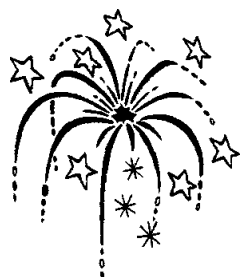

Blood Drive at Congregational Home

The Blood Center of Wisconsin will hold a blood drive at Congregational Home on Thursday, August 3 from noon to 5:00 pm in the chapel. Did you know that every three seconds someone in the United States needs blood, and each donation can save up to three lives? It is estimated that between 20-25% of all Americans will require a blood transfusion at some point in their lives. Donations to the blood center can save the lives of surgical patients, premature babies, accident victims, and people who are receiving chemotherapy. Family and friends are encouraged to join the staff for this life-saving effort.

If you have any questions about this event, or wish to participate as a blood donor, please contact Laurie Schmidt, Director of Marketing, at 262-781-0550.
